

INDIAN SPACE CONCLAVE 2023Co-hosted by 
09 OCT 2023 | DAY 01 | INDO-FRENCH SPACE SUMMIT
Honoured Country France

Time	DAY 01 INDO-FRENCH SPACE SUMMIT
0900-0930 Hrs	Registration and Networking Tea
0930-1030 Hrs	<p>SESSION 01 DEEP TECH, DEEP SPACE: POLICY CONVERGENCE FOR GROWTH</p> <p>Jointly Organized with OFFICE OF THE PRINCIPAL SCIENTIFIC ADVISER TO THE GOVERNMENT OF INDIA</p> <p>The primary objective of this panel session is to shed light on the pivotal role of the National Deep Tech Startup Policy in shaping the future of the space sector in India. The session will provide valuable insights into the alignment of national scientific and technological policies & initiatives such as the National Research Foundation Bill 2023 with the goals of the National Deep Tech Startup Policy 2023. This panel session will offer attendees a deeper understanding of the synergies between the National Deep Tech Startup Policy and the Indian Space Policy 2023, ultimately fostering innovation and collaboration within the space sector.</p> <p>Moderator: Shri Amit Priyadarshan, Founder & CEO, Caliche Pvt Ltd</p> <p>Panellists (04):</p> <ol style="list-style-type: none"> 1. Prof S Chandrashekar, Honorary Visiting Professor, NIAS 2. Dr Ekta Kapoor, Head of Scientific Divisions, FFT, DST 3. Shri Anagh Singh, Assistant Vice President, Invest India 4. Prof Y Nithiyandam, Head of Geospatial Program, The Takshashila Institution
1030-1130 Hrs	<p>PLENARY SESSION - INDO-FRENCH SPACE SYNERGY</p> <p>Opening Remarks by Lt Gen AK Bhatt PVSM UYSM AVSM SM VSM (Retd), Director General, ISpA</p> <p>Welcome Address by Shri Chirag Doshi, MD & CEO, Walchandnagar Industries Ltd and Member, EC & Co-Chair, Launch Vehicle Committee, ISpA</p> <p>Address by Special Invitee Stéphane Vesval, SVP Sales and Marketing, Airbus Defence and Space</p> <p>Address by Special Invitee Astronaut Thomas Pesquet, ESA</p>

	<p>Address by Special Invitee Shri S Somanath, Secretary, Department of Space and Chairman, ISRO</p> <p>Address by Chief Guest Governor Shekhar Dutt, SM (Retd), Former Governor of Chhattisgarh, Defence Secretary and Deputy National Security Advisor</p> <p>Address by Chief Guest H.E. Thierry Mathou, Ambassador-Designate of France in India</p> <p>ISpA-GIFAS MoU Ceremony</p> <p>Vote of Thanks by Shri Jayant Patil, Chairman, ISpA</p>
1130-1200 Hrs	<p>Inauguration of Exhibition by Chief Guests H.E. Thierry Mathou, Ambassador-Designate of France in India & Governor Shekhar Dutt, SM (Retd), Former Defence Secretary and Governor of Chhattisgarh</p> <p>Networking Tea</p>
	<p>LEVERAGING DUAL EXPERTISE IN THE SPACE INDUSTRY: EXPLORING FRANCO-INDIAN SYNERGIES</p>
1200-1205 Hrs	<p>OPENING Clémentine Gallet, AeroPME Committee of GIFAS</p>
1205-1245 Hrs	<p>PANEL DISCUSSION 1: Fostering Indo-French Space Collaboration: Forging Partnerships in the Space Industry for Mutual Growth and Technological Advancement</p> <p>Introduction: Wg Cdr Satyam Kushwaha (Retd), Director, ISpA</p> <p>Moderator: Cédric Post, Deputy Director International, European and Commercial Affairs, GIFAS</p> <p>Panellists (05):</p> <ol style="list-style-type: none"> 1. Shri Venkat Katkuri, Head of Defence and Space, Airbus 2. Shri Nikhil Mallavarapu, Executive Director, Centum Electronics 3. Noël BALLOT, EVP Sales & Marketing, Safran Data Systems 4. Stéphane Watier, CEO India, Axon 5. Shri Anurag Garg, Chief Strategy and Marketing Officer, Thales India
1245-1300 Hrs	<p>FRENCH COMPANIES PITCH 1</p>
1300-1335 Hrs	<p>PANEL DISCUSSION 2: Catalyzing Innovations for Advancing Developments in the NewSpace Realm</p> <p>Moderator: Mathieu Weiss, Managing Director, CNES Liaison Office India</p>

	Panellists (06): <ol style="list-style-type: none"> 1. Pierre Canitrot, International Development Manager, COMAT 2. Alexandre Tisserant, CEO, KINEIS 3. Shri Sanjay Nekkanti, Founder & CEO, Dhruva Space 4. Dr CVS Kiran, Director-R&D and Strategic Initiatives, Skyroot Aerospace 5. Abdoulahi Ben Moussa Dia, CEO, Connect SAT Aerospace 6. Shri Awais Ahmed, Founder & CEO, Pixxel Space 		
1335-1350 Hrs	FRENCH COMPANIES PITCH 2		
1350-1355 Hrs	CLOSURE Eric Fajole, Trade Commissioner, Director, Business France India		
1400-1450 Hrs	Lunch		
1450-1540 Hrs	SESSION 04 THEME - FUTURE MODERN TRENDS IN EMERGING SPACE SECTOR The emerging space sector is witnessing exciting modern trends that will shape the future of space exploration. Key areas of focus include Space Situational Awareness (SSA) to manage space debris, leveraging microgravity for scientific research and commercial opportunities, advancing in-space travel technologies, establishing robust deep space communication networks, exploring uncharted celestial bodies through deep space exploration, plasma technologies for space, nuclear propulsion, harnessing in-situ resource utilization for sustainable space missions, building a thriving lunar economy, and enabling on-orbit manufacturing, maintenance, and refueling to support long-duration space missions. These trends hold tremendous potential for unlocking new frontiers, expanding our knowledge, and fostering economic growth in the evolving space sector. Chair: Dr Suhas S Joshi, Director, IIT Indore	1500-1800 Hrs	INDO-FRENCH CLOSED DOOR B2B NETWORKING SESSION

	<p>Moderator: Shri Praveen Paranjothi, President, Startup Europe India Network</p> <p>Panellists (05):</p> <ol style="list-style-type: none"> 1. AVM Anupam Agarwal, Principal Medical Officer, HQ WAC 2. Dr N Rajan Babu, Scientific Officer F, Institute for Plasma Research 3. Shri Krishna Moorthy K, CEO & President, IESA 4. Shri Tushar Jadhav, Co-Founder & CEO, Manastu Space 5. Dr Roshan Srivastav, Project Director, IIT Tirupati Navavishkar I-Hub Foundation 		
1540-1630 Hrs	<p>SESSION 05 THEME - LEVERAGING SPACE TECHNOLOGY FOR EFFECTIVE DISASTER MANAGEMENT & RESCUE RESPONSE</p> <p>This panel discussion explores the role of civil-defence space technologies in disaster management and rescue operations. Experts from space agencies, disaster management organizations, and emergency response teams will discuss the utilization of satellite imagery, remote sensing, and communication systems to enhance situational awareness, early warning, preparedness, rapid response, and coordination in times of crises. The panel aims to promote collaboration, share best practices, foster knowledge exchange among the stakeholders.</p> <p>Special Address: Dr Shantanu Bhatawdekar, Scientific Secretary, ISRO</p> <p>Chair: Air Marshal (Dr) Rajeev Sachdeva AVSM, PhD (Retd), Former DCIDS, HQ IDS</p> <p>Moderator: Prof. Y Nithyanandam, Head of Geospatial Program, The Takshashila Institution</p> <p>Panellists (06):</p>	1500-1800 Hrs	INDO-FRENCH CLOSED DOOR B2B NETWORKING SESSION

	<ol style="list-style-type: none"> 1. Shri Rakesh Verma, Founder, MapmyIndia 2. Dr T. Srinivasa Kumar, Director, Indian National Centre for Ocean Information Services (INCOIS) 3. Col Sai Arul (Retd), Head-SAARC Region, Maxar 4. Dr AK Mitra, Scientist F, Satellite Meteorology Division, India Meteorological Department (IMD) 5. AVM GP Sharma, President, Meteorology & Climate Change, Skymet 6. Shri Krishanu Acharya, CEO & Co-Founder, Suhora Technologies 		
END OF DAY 01			

10 OCT 2023 | DAY 02 | SPACE COMMUNICATION & PREPARATION FOR NEXT GEN CHALLENGES

Time	DAY 02 SPACE COMMUNICATION & PREPARATION FOR NEXT GEN CHALLENGES
0900-0930 Hrs	Registration and Networking Tea
0930-1035 Hrs	INAUGURAL SESSION
	Welcome Address by Lt Gen AK Bhatt PVSM UYSM AVSM SM VSM (Retd), Director General, ISpA
	Address by Shri Jayant Patil, Chairman, ISpA
	Address by Special Invitee Shri Rahul Vatts, Chief Regulatory Officer, Bharti Airtel
	Address by Special Invitee Shri PJ Nath, CEO & MD, Nelco
	Address by Special Invitee Shri Rajiv Sinha, Principal Advisor, TRAI
1035-1105 Hrs	Release of ISpA-NASSCOM-Deloitte SpaceTech Report
	Brief on the Report: Dr Achyuta Ghosh, Head of Research, NASSCOM
	Presentation Brief on the Report: Shri Sreeram Ananthasayanam, Partner, Deloitte India
	Address by Chief Guest Shri Devusinh Chauhan, Hon'ble Minister of State for Communications
1105-1155 Hrs	SESSION 01 THEME - HARNESSING SPACE SPECTRUM FOR \$5T ECONOMY
	Leveraging the untapped potential of the space spectrum to propel economic growth towards a \$5 trillion economy. Expanding importance of Space Spectrum for satellite communication, remote sensing, and navigation systems to enhance connectivity, accelerate innovation, and drive sectors such as agriculture, transportation, healthcare, and digital services.
	Chair: Shri Rajiv Sinha, Principal Advisor, TRAI Moderator: Shri Rahul Vatts, Chief Regulatory Officer, Bharti Airtel Panellists (05):
	1. Smt M Revathi, Joint Wireless Adviser, DoT and Member, RRB, ITU 2. Shri PJ Nath, CEO & MD, Nelco

	<ol style="list-style-type: none"> 3. Shri Nilanjan Routh, Associate Director (SPI), SATCOM-PO, ISRO 4. Shri Shivaji Chatterjee, CEO, President and MD, Hughes Communications India 5. Invest India Representative 	
1155-1245 Hrs	<p>SESSION 02A THEME – EXPLORING THE WORLD OF SPACECRAFT MISSION OPERATIONS</p> <p>This session focuses on spacecraft mission operations, highlighting the critical role of planning, executing, and managing space missions. Experts will share insights on mission design, satellite control, telemetry, tracking, and overall operational strategies. Participants will gain valuable knowledge on ensuring mission success, optimizing resources, and overcoming challenges in the dynamic realm of spacecraft operations.</p> <p>Chair: Shri B N Ramakrishna, Director, ISTRAC</p> <p>Moderator: Shri Abhilash Bhat, Chief of Staff, Pixxel Space</p> <p>Panellists (06):</p> <ol style="list-style-type: none"> 1. Holger Maass, Head of Department, National Ground Segment Remote Sensing Data Center, German Aerospace Center, DLR 2. Timothy T. Pham, Chief System Engineer, Deep Space Network, JPL, NASA 3. Shri Navneet Singh, CEO, Kepler Aerospace 4. Shri Ravit Sachasiri, Director-Business Development, Swedish Space Corporation 5. Shri Anshuman Verma, Head of Business Development, VedComspoc 	<p>SESSION 02B THEME – INNOVATION ECOSYSTEM: EXPLORING THE PPP MODEL OF GOVERNMENT-INDUSTRY-ACADEMIA INTERFACE</p> <p>This panel discussion explores the Government-Industry-Academia PPP model in space research. Experts from the government, industry, and academia will examine collaborative strategies, funding mechanisms, policy frameworks, and technological advancements to foster cutting-edge research, knowledge exchange, and innovation in the space domain. The panel aims to catalyze dialogue, foster partnerships, and inspire transformative ideas for advancing space research and innovation through effective collaboration.</p> <p>Special Address: Dr VK Rai, Scientist-F and Former Project Head, Technology Development Board, DST</p> <p>Moderator: Dr Achyuta Ghosh, Head of Research, NASSCOM</p> <p>Panellists (04):</p> <ol style="list-style-type: none"> 1. Prof V Ramgopal Rao, Vice Chancellor, BITS 2. Dr Sarita Ahlawat, Co-Founder & MD, Botlab Dynamics 3. Prof Paulo de Souza, Dean Research, Gold Coast Campus, Griffith University 4. Dr Sanat K Biswas, Assistant Professor, ECE, IIITD
1245-1400 Hrs	Lunch	

1400-1415 Hrs	Presentation: A case for pioneering Human Spaceflight in Indo Pacific by Shri Kirti Rambhatla, CEO, Metakosmos	
1415-1430 Hrs	Presentation: The State of the Indian New Space Ecosystem from the Lens of Startups by Shri Awais Ahmed, Founder & CEO, Pixxel Space	
1430-1520 Hrs	<p>SESSION 03A THEME - FROM THEORY TO PRACTICE: FOSTERING SKILL & CAPACITY DEVELOPMENT FOR SPACE WORKFORCE</p> <p>The discussion will explore the critical role of disciplines such as astrophysics, space law, economics, & STEM in fostering innovation, advancing research, and shaping the future of space exploration. By bringing together experts, professionals, and stakeholders from diverse backgrounds, the panel aims to generate valuable insights, exchange ideas, and identify strategies to enhance capacity and skills within the space sector. The panel aims to drive insights and recommendations for optimizing the Government-Industry-Academia PPP model for future advancements in the space sector.</p> <p>Chair: Dr Nirmaljeet Singh Kalsi, IAS (Retd), Chairperson, NCVET</p> <p>Moderator: Shri Asheesh Sabarwal, Head-Industry Partnerships, SSC NASSCOM</p> <p>Panellists (05):</p> <ol style="list-style-type: none"> 1. Dr Sudheer Kumar N, Director, Capacity Building & Public Outreach, ISRO 2. Dr Chintan Vaishnav, Mission Director - Atal Innovation Mission (AIM), NITI Aayog 3. Dr Shaijumon C.S., Associate Professor & Head, Dept of Humanities, IIST 4. Dr Rekhesh Mohan, Scientist-D, IIA 5. Shri Sunny Kabrawala, Founder & Director, STARLAB Surat 	<p>SESSION 03B THEME - INNOVATION BEYOND EARTH: GATEWAYS TO IN-SPACE MANUFACTURING, IN-SITU RESOURCE UTILIZATION, & ADVANCED SPACE SCIENCE</p> <p>This panel discussion focuses on the strategic and technological research applications of Lagrange points, specifically in the areas of in-space manufacturing, in-situ resource utilization, and their implications for cislunar and lunar missions. Experts will explore the potential of Lagrange points as critical hubs for sustainable space operations, driving innovation, and transforming our approach to space exploration and utilization. The discussion aims to identify research opportunities, technological challenges, and collaborative pathways for maximizing the potential of Lagrange points in advancing space science and exploration.</p> <p>Chair: Dr Tirtha Pratim Das, Director, Science Programme Office, ISRO</p> <p>Moderator: Shri Abhinesh Srivastava, Founder, CEO & CTO, BigDipper Exploration Technologies</p> <p>Panellists (05):</p> <ol style="list-style-type: none"> 1. Dr. Vaibhav Pant, Co-Principal Investigator, Aditya-L1 Support Cell, ARIES 2. Shri Yashas Karanam, COO, Bellatrix Aerospace 3. Shri Tanveer Ahmed, CTO, Digantara 4. Shri Amit Priyadarshan, Founder & CEO, Caliche Pvt Ltd

1520-1545 Hrs	Networking Break + Exhibition Visit
1545-1610 Hrs	Data Security Council of India: Industry Presentation by Shri Vinayak Godse, CEO, DSCI
1610-1700 Hrs	INDIAN AIR FORCE BRAINSTORMING SESSION FOR INDIAN SPACE CHALLENGES TO PROVIDE IMPETUS TO SPACE INDUSTRIAL ECOSYSTEM
	ANNOUNCEMENT OF INDIAN AIR FORCE DEFSPACE WINNERS
1700-1730 Hrs	iDEX INDUSTRY OUTREACH SESSION
	END OF DAY 02

11 OCT 2023 | DAY 03 | SPACE ECOSYSTEM FOR SOCIETAL BENEFIT & GLOBAL DIPLOMACY

Time	DAY 03 SPACE ECOSYSTEM FOR SOCIETAL BENEFIT & GLOBAL DIPLOMACY	
0900-0920 Hrs	Registration and Networking Tea	
0920-1020 Hrs	<p>SESSION 01 THEME – STELLAR ASPIRATIONS: VISION, STRATEGY AND ROADMAP FOR INDIAN SPACE ECOSYSTEM</p> <p>This session delves into the Decadal Vision and Strategy for Development of the Indian Space Ecosystem, encompassing ISRO, IN-SPACE, NSIL, DSA, DRDO, NITI Aayog, and ISpA. Key Stakeholders will discuss collaborative initiatives, policy frameworks, technological advancements, and industry participation to propel India's space sector, promote innovation, and drive economic growth in the next decade.</p> <p>Key Note Address: Dr Pawan Goenka, Chairman, IN-SPACE</p> <p>Panellists (07):</p> <ol style="list-style-type: none"> 1. AVM DV Khot AVSM VSM (Retd), Former DG DSA 2. Dr Vinod Kumar, Director PD, IN-SPACE 3. Shri Rahul Vatts, Chief Regulatory Officer, Bharti Airtel 4. Shri Laxmesh BH, Vice President & Head - Missiles and Aerospace Business Head, Larsen & Toubro 5. Shri Maneck E Behramkamdin, Sr Vice President and Business Head, Godrej & Boyce 6. Dr Satya Chakravarthy, Founder & Head, NCCRD, IIT Madras 7. Capt Vishal Kanwar (Retd), Managing Director, Management Consulting (Aerospace, Defence, and Space), PwC 	
1020-1040 Hrs	ISpA Awards & Chandrayaan Honour Felicitation by Dr Pawan Goenka, Chairman, IN-SPACE	
1040-1105 Hrs	Blue Origin: Industry Presentation	
1105-1130 Hrs	Networking Break	
1130-1220 Hrs	SESSION 02A THEME – SPACE-ENABLED LOGISTICS AND MOBILITY: TRANSFORMING RAILWAYS, TRANSPORTATION, SHIPPING, AND BEYOND	SESSION 02B THEME – EXPLORING BANKING, FINANCIAL & INSURANCE MODELS FOR SPACE VENTURES

	<p>Utilizing space technology to revolutionize logistics and mobility across diverse sectors. Leveraging satellite-based monitoring, real-time tracking, and communication systems to enhance efficiency, safety, and sustainability in railways, transportation, shipping, and related industries. Enabling seamless operations, optimizing routes, and improving overall supply chain management.</p> <p>Chair: Shri Amit Ghosh, IAS, Additional Secretary, MoRTH</p> <p>Co-Chair: Shri Sushil Kumar Singh, Joint Secretary (Ports, PPP & PHRD), MoPSW</p> <p>Moderator: Shri Kaushik RV, Deputy Director, TD, IN-SPACE</p> <p>Panellists (05):</p> <ol style="list-style-type: none"> 1. Mr P Sajith, Associate Director, Satellite Navigation Programme Office, ISRO HQ 2. Lt Col VS Velan, Founder & CTO, Elena Geo Systems 3. Shri Rohan Verma, CEO & ED, MapmyIndia 4. Shri Ved Mani Tiwari, CEO, National Skill Development Corporation 5. Shri Sunil Indurti, Director, Azista-BST Aerospace 	<p>This panel discussion aims to delve into the intricacies of banking, financial services, insurance, and funding models in the space domain. Experts will discuss innovative approaches, risk management, and emerging trends, fostering knowledge sharing and collaboration to drive sustainable financial support for space ventures and explore the evolving landscape of financial mechanisms and instruments that support space missions, satellite projects to secure funding, mitigate risks, and ensure sustainable growth in the space industry.</p> <p>Moderator: Shri Sreeram Ananthasayanam, Partner, Deloitte India</p> <p>Co-Moderator: Lt Col Umang Kohli (Retd), India Strategic</p> <p>Panellists (04):</p> <ol style="list-style-type: none"> 1. Dr Deepak Jain, Director General, FII 2. Ms Sonali Nanda, Deputy Director, PMAD, IN-SPACE 3. Shri Jaideep Kalra, Director and Regional Head of Business Banking- North India, HSBC 4. Dr Ravinder Pal Singh, Venture Capitalist
1220-1230 Hrs	Special Address Lt Gen Raj Shukla (Retd), PVSM YSM SM ADC, Member, UPSC	
1230-1235 Hrs	Address by Marc Serres, CEO, Luxembourg Space Agency	
1235-1245 Hrs	ISpA-US-India Strategic Partnership Forum (USISPF) MoU Ceremony	
	ISpA-Federation of Indian Industry (FII) MoU Ceremony	

	ISpA-MSME & Startups Forum Bharat (MSFB) MoU Ceremony
1245-1335 Hrs	<p>SESSION 03 THEME – MAPPING SPACETECH SOLUTIONS TO ACHIEVE SUSTAINABLE DEVELOPMENT GOALS IN INDIA</p> <p>This session highlights the role of SpaceTech solutions, including navigation systems, satcom, and geospatial analytics, in driving sustainable development goals (SDGs) in India. These tools enable accurate mapping, efficient infrastructure planning, improved connectivity, disaster management, agriculture, environmental conservation and equitable resource allocation, driving sustainable and inclusive growth.</p> <p>Chair: Dr AS Kiran Kumar, Member Space Commission and Former Secy DoS & Chairman, ISRO</p> <p>Moderator: Shri Sagar Darbari, Partner, Deloitte</p> <p>Panellists (07):</p> <ol style="list-style-type: none"> 1. Dr Dipankar Banerjee, Director, ARIES 2. Dr CS Murthy, Director, MNCFC, Ministry of Agriculture & Farmers' Welfare 3. Shri Gautam Sharma, Managing Director-India, Inmarsat 4. Shri Pranit Mehta, Co-Founder & VP-Business Development, GalaxEye Space 5. Shri Dheeraj Mehra, Founder & CEO, Micronet Solutions 6. Shri Harshan V, Program Director, Social Alpha
1335-1420 Hrs	Lunch
1420-1430 Hrs	TIDCO Industry Presentation
1430-1520 Hrs	<p>SESSION 04 THEME – FORGING ALLIANCES FOR DEVELOPMENT OF SPACE PARKS IN INDIA</p> <p>The discussion aims to explore the role of space parks in India as catalysts for growth and collaboration among MSMEs, large corporations, startups, and academia. Experts will analyze the critical factors of intellectual property rights (IPR), public-private partnership (PPP) models, land suitability, financial enablement, regulatory sandbox frameworks, and foreign investment to create an enabling environment for diverse stakeholders, driving innovation, research, and entrepreneurship within the Indian space ecosystem.</p> <p>Chair: ACM RKS Bhadauria PVSM AVSM VM ADC (Retd), Chief Nodal Officer, Uttar Pradesh Defence Industrial Corridor (UP DIC)</p> <p>Moderator: Shri Laxmesh BH, Vice President & Head - Missiles and Aerospace Business Head, Larsen & Toubro</p>

	<p>Panellists (05):</p> <ol style="list-style-type: none"> 1. Shri G Levin, CEO, Kerala Space Park & Former Deputy Director, VSSC, ISRO 2. Dr Vinod Kumar, Director-PD, IN-SPACE 3. Wing Commander Madhusoodhanan, VP-Aerospace & Defence, Tamilnadu Industrial Development Corporation (TIDCO) 4. Capt Rahul Seth, Venture Capitalist 5. Shri P.V. Srikanth, Scientist-D, Transport Engineering Department, BIS 6. Dr Kumar YESSVSDPK, Deputy Director in the Directorate of Safety, Reliability and Quality (DSRQ), ISRO
1520-1610 Hrs	<p>SESSION 05 THEME – ADVANCING SPACE EXPLORATION THROUGH GLOBAL COLLABORATION AND DIPLOMACY</p> <p>International bilateral cooperation in space is crucial for advancing exploration and peaceful utilization. India recently became the signatory of Artemis Accords and it might involve exchanging knowledge, conducting joint research and development, transferring technology, and collaborating on missions for space science, satellite communication, Earth observation, and space applications, while fostering diplomatic relations and global space cooperation.</p> <p>Moderator: Shri Chethan Kumar, Senior Assistant Editor, Times of India</p> <p>Panellists (05):</p> <ol style="list-style-type: none"> 1. Amb Rakesh Sood (Retd), Director, Space Technology and Policy vertical & Distinguished Fellow, Council for Strategic and Defense Research 2. Leo Bremanis, Trade and Investment Commissioner, Australian Trade & Investment Commission 3. Dr Rohini Srivathsa, Chief Technology Officer – Microsoft India & South Asia, Microsoft India 4. Smt Nivedita Mehra, Managing Director, US-India Strategic Partnership Forum (USISPF) 5. Dr Sameer Guduru, Director, Digital Economy & Aerospace & Defence, U.S.-India Business Council (USIBC)
1610-1640 Hrs	<p>Valedictory Session</p> <p>Opening Remarks by Lt Gen AK Bhatt PVSM UYSM AVSM SM VSM (Retd), Director General, ISpA</p> <p>Address by Special Invitee Shri M. Srinivas Rao, CEO, T-Hub, Telangana Govt</p> <p>Address by Special Invitee Lt Gen VG Khandare PVSM AVSM SM (Retd), Principal Advisor, MoD</p> <p>Address by Special Invitee Dr Arvind Gupta, IFS (Retd), Director, Vivekananda International Foundation</p> <p>Address by Special Invitee Governor Shekhar Dutt, SM (Retd), Chief Mentor, ISpA</p> <p>Address by Special Invitee Amb P S Raghavan, Chairman NSAB</p> <p>Vote of Thanks</p>
